Leigh Greenwood's latest novel, *No One But You*, is a haunting and unforgettable psychological thriller that will stay with you long after you finish reading it. The novel tells the story of Eve, a young woman who is drawn into a dangerous obsession with a man named Daniel.

Eve is a successful businesswoman who has everything she could ever want: a great job, a beautiful apartment, and a loving family. But she is also lonely and searching for something more. When she meets Daniel, she is immediately drawn to his charm and charisma. Daniel is everything that Eve is not: handsome, confident, and adventurous.

Eve quickly falls head over heels in love with Daniel, but she soon discovers that he is not who he seems. Daniel is a master manipulator who uses his charm to control and isolate Eve. He cuts her off from her family and friends, and he forces her to do things that she never would have done before.

As Eve's obsession with Daniel grows, so does her desperation. She will stop at nothing to keep him in her life, even if it means sacrificing her own happiness and well-being.

No One But You is a chilling and suspenseful thriller that will keep you on the edge of your seat from beginning to end. Greenwood does a masterful job of creating a sense of dread and foreboding, and she keeps the reader guessing until the very end.

The novel is also a powerful exploration of the dark side of human nature. Greenwood shows us how easily we can be manipulated and controlled by those who we love. She also shows us how dangerous it can be to let our obsessions consume us.
